SOUTHERN TOWNS.

Distances from One Camp to Another and How to reach Them.

Most people have an indirect knowledge of the location of the vaious newly established towns in the Southern Nevada gold districts few a them have any definite intelligent ides as to where each town actually is aut. the relative direction and distance of one from an other.It will therefore be of interest to many and valuable to some to have them set forth. The following carefully prepared informat ion regarding these localties, the names of which are seen and heard of every day more and more as time passes, but just where they are situaed in the broad expanse of souther. country few persons could toil, even among some of those interested more or less in mining affairs.

Goldfield is 28 miles south of Tono pah: 16 miles south of Goldfield . Tank Springs; 29 miles south brings one to Summerville, the new strike which is 3 miles west of Throp's Miles where is located the Nevada-Goldflei: Mining Company's property. 27 miles south from Summerville is Muddy Spring, 8 miles south from Muddy is Old Builfrog or Amagoza (no. 10 serted) where the Original Builtros district, now about six months aid Three quarters of a mile south is the new town of Bullfrog, formerly called Bonanze, From Ryolite to Beatty a town of 500 people, is 4 miles north east, passing the rich Montgomery Edwards mine. Goin arther south sent by mail promptly tested from Beatty, 4 miles, one reaches Gold Centre with its 250 people On bundred and ten miles southeast from Bullfrog are located the rich strikes of Los Vegas, reached by some, vis the Clark railroad and stage.
